

# Hats On For Mastodon Mastodon Art/Science Regional Fair Hat Day Fundraiser

Parents and Students,

Our school will be participating in a county-wide fundraiser in which students can wear a hat to school on \_\_\_\_\_(date) for a donation of \$\_\_\_\_. All proceeds will benefit the Mastodon Art/Science Regional Fair which will be held March 16 – 20, 2010.

As you may know all students have open access to participate in the Mastodon Fair with

- Free online registration
- Free admission to the Fair
- Free field trips
- Free hands-on workshops
- Access to over \$35,000 in prizes/awards/scholarships/trips, etc.

Neither schools nor students/parents are charged anything to participate in the Fair. The Mastodon Fair has directly benefited our students. This fundraiser is an opportunity for students to give back to their community. We encourage your participation in this worthy cause.

Please encourage your student to participate in both the Mastodon Fair and this fundraiser.
