PROJECT TITLE:

I, the undersigned, do certify that the project listed above does not involve any of the aforementioned research areas. I also know that use of this simple safety form may prevent me from being selected for 5-8th grade special awards for further competition. In the case that the project is found to involve any of these research areas and require additional forms, the undersigned has the following options - (1) To complete the additional forms necessary by the end of Check-In time to keep the project in competition; or (2) To remove the project from competition. I also will supervise my student's activities during this project and will allow my child's unnamed photograph to be used in marketing for the Mastodon Fair.
